

6076/DIV/37 CFR 1.53(b) Division  
[Based on USSN 09/929,085]

REMARKS

The present preliminary amendment is being filed in order to present additional claims for consideration during examination. Support is present in the specification at pages 5-14.

To place the application in condition desired for examination, applicant has canceled original filed claims 2, 8-13, 15, 17, 20-23, 25 and 26 and added claims 40-54. No new matter has been added.

Additionally in view of the restriction requirement made by the Examiner in parent application Serial No. 09/929,085, applicant elects to prosecute in the present divisional application claims 1, 3-7, 14, 16, 18, 19, 24 and 40-54.

Claims 27-39 are withdrawn as being directed to non-elected subject matter. Applicant reserves the right to file an additional divisional application(s) based on the non elected subject matter.

Favorable consideration of the application is requested.
